It took me forever to put it together, but I hope it will be a great resource for people looking for cool drawing ideas! Drawing Ideas for Kids It's pretty obvious that kids love to draw, but sometimes plopping a pile of blank paper and some markers in front of them doesn't cut. This blank white paper could be enough to shut down your imagination completely. Fortunately, today I'm going to be your idea for the children's superhero. Here's the epic list of 100 kids drawing ideas, and you can thank me profusely for your comments. Either just pin or bookmark this post to come back later... Looking for some more low key sketchbook ideas? I'll cover those, too. Why I'm Obsessed With Kid's Drawing Ideas Drawing the Backbone of Art-Making. Really. And I know there are a lot of people in art-related fields who don't draw. But let's see how many ways I can overcome this point of death: Practicing drawing helps train the eye on what's actually there and not what I assume to be there. Drawing helps you train your hand to make it convenient to use drawing tools. Drawing is easy to start and stop- anywhere, anytime. You don't have to be in a great place or fancy setting to draw. You just have to be willing to do it. Making quick drawings is an excellent way to warm up your brain and hands with any type of art decision making. Or anything, really. Make some doodles before the test, before bed, over dinner... Tap your subconscious creative brain pockets. (I'm not a doctor, but I'm sure that's the medical term.) Creating a drawing practice when a child is laying the foundations for a lifelong drawing habit. Here are some health benefits of drawing. Since I've had enough I'm exhausting the benefits of drawing children's drawings, and since you're probably already a big fan of drawing, or if you haven't clicked through to read this post, I'll now delight you with 100 tantalizing drawing ideas for your children to try. P.S. I'm not focused solely on traditional design, there's a little bit of everything, from observation to scribbling photos. Drawing for kids I've been to projects loosely based on age group, but feel free to try out the drawings for all ages kids - you can modify according to your interest and ability. Click on the image to see more or scroll below each gallery to read a short synopsis and you can click through from there. Simple drawing ideas for very young kids (0-5ish) 1.
